## November Meeting Notes

Many fantastic ideas for 2008 activities were discussed at the November meeting. It was decided to continue with our schedule of having meetings the third Tuesday of each month (except July and December). And a significant outreach effort will be made in March to mark Women's History Month. Kelly will be contacting the UW-Oshkosh Women's Center to see if we can partner with them on anything or host a speaker at their facility that month, and we will be contacting Barb Herzog with the Oshkosh School District to see if we can do some outreach in the area high schools through the guidance offices or assemblies. The tentative schedule as was discussed at the meeting is printed below. It will soon be up on the website and, of course, will be updated as things change/are confirmed.

Kelly also reported that the chapter received rebates for a new member this quarter, Patricia Depas. Thanks to Patricia for remembering to write in our chapter on her membership application, and we hope to see you at a meeting soon!

Included with the rebate was an invitation for someone from our chapter to give a presentation on newsletters during the Chapter Workshop in San Diego during the 2008 WAI Conference.

An aerial view of Lake Hood from Bonnie's trip to the WAI Regional Conference in Alaska this fall.

Kelly and Rose have tentatively volunteered to do this and will confirm with Betty Huck as the event nears.

According to our bylaws, officer elections need to be held at the January meeting. The positions available are: President, Vice President, Treasurer, Secretary, Membership Chair, and Outreach Chair. Please let Kelly know before the January meeting if you are interested in being elected for any of the positions.
