Mission Statement

To encourage, mentor, support and promote women and young people in aviation careers and opportunities through education and networking. More importantly, we focus on people, offering the opportunity to make new aviation friends and form relationships while encouraging the sharing of information, stories and enthusiasm.

You don't have to be a woman or a pilot to join our Chapter, you just have to love aviation.

Congratulations !

On March 18th, Bonnie Bartel and Gary Kratz exchanged wedding vows. They're looking forward to their honeymoon down in Florida after working at Sun 'n Fun.

On March 12th,
Kelly Nelson received her
private pilot certificate—great work
Kelly!

Quote of the Month:

To most people, the sky is the limit. To those who love aviation, the sky is home.
